Major Program: Mathematics-Statistics

Briefly describe how Information Literacy will be taught within your major program. List courses in which these skills will be embedded.

The student is expected to do a considerable amount of literature search using library material or Web resources in each of the following courses or sequences: MATH 200-201W, MATH 242W, MATH 292W, or STAT 200 and STAT202W.

Are all these courses required of your students? If not, how will you assure that all students attain the exit expectations for Information Literacy.

All students are required to take one of these courses or sequences.
